THIS IS A LEGAL AGREEMENT, by accessing, downloading, using or installing the Commercial Type Font Software (“COMMERCIAL”) you expressly agree to the following terms:

1. This License is directed to use of the Commercial Type Font Software as webfonts (“Software” or “Webfonts”). Downloading the Commercial Type Software for use on a desktop, laptop or workstation is controlled and only permitted under a different license which must be purchased separately. If you wish to use and/or install the Commercial Font Software on your desktop or personal computer or on a server for use and access by a desktop or personal computing device, you must purchase the separate license. You further agree to exercise reasonable care to avoid unauthorized distribution of the Software. If you cannot or do not agree to the terms of this license, do not access or use and, if appropriate, provide proof of destruction to Commercial.
2. The Font Software will be transmitted for your use in the EOT, WOFF, SVG, and TTF formats. Commercial reserves the right to include or omit additional formats at its discretion in the future.
3. This license is granted for the length of time (“Term”) you have elected to purchase, either annual or perpetual. Refer to your receipt and license documentation.
4. This non-exclusive, revocable license grants you limited rights to use the Commercial Font Software to style HTML and SVG documents using the CSS *@font-face* mechanism. Other embedding or linking uses or techniques, such as PDF, EPUB, iOS and/or Android native applications and/or in Cufón or sIFR, are not permitted.
5. The Font Software is licensed only for use on specific Internet domains identified in a list submitted to Commercial Type within sixty (60) days of purchasing the license. The list of domains may be amended or modified only with the express written permission of Commercial. The Font Software may be used on any number of sub-domains of the licensed domain names.

If the maximum number of allowed unique visitors is exceeded for three (3) consecutive months, the purchase of an additional license is required. Commercial reserves the right to inspect or monitor your usage.

7. The Font Software is licensed for use until the expiration date identified in the license documentation. If the license has not been renewed after the expiration date, you are not permitted to use the Software for any purposes whatsoever.

8. The terms and price associated with this License are based upon the domain names, maximum unique visitors and identified expiration date. If you anticipate an increase in unique visitors, increase in the number of domains or an election to not renew this License you should notify Commercial as early as possible. You are not entitled to a refund, offset or other adjustment in the event of a reduction in the number of domains, reduction of the number of unique viewers or change in expiration date of the license, irrespective of the reasons.

You agree to exercise commercially reasonable efforts to ensure that the Font Software is retained with the other assets associated with the licensed domains. For the purposes of clarity, the use of third party font hosting services is strictly prohibited and the Font Software should be stored and served from the same devices and location as the other software and assets associated with the licensed domains.

10. The use of the Font Software for use in web accessible forms is permitted. However, any other editable use of the Software, such as in templates or for use in the creation of customizable designs or products requires the purchase of a separate license.
